

## Features and Technical Specifications

**Key Features:**

- Low frequency pure sine wave
- Power saver Function
- High Power Factor, Low idle current
- low DC input, big charge current
- Back-Feed Protection
- Fault recovery
- Full protection, LED display and alarm
- remove control solution
- with Voltage regulator
- Power Saver Function
- Transfer Time 20ms

**Xybet Solar Technologies Ltd**

No. 5 Adenuga Street, Off U.I / Secretariat Road  
Kongi - Bodija, Ibadan. Oyo State. Nigeria.

Plot 172, Oworonsoki Express Way,  
Gbagada Phase 1, Lagos State.
